Live Remote Training

LIVE INSTRUCTOR-LED WEBINARS

Looking for a great training program but have serious scheduling or geographical restrictions?

Welcome to the solution!

Bonfire Training's Live Remote Training provides your team with customized courses delivered via webcast by a certified Bonfire Trainer. These live sessions can be accessed from anywhere in the world, allowing you to easily train multiple time zones and schedules.

No matter where you are or how busy you've become, it's always the right time to catch the spark that a motivated, empowered team can provide your company.

Our Live Remote sessions provide your employees with real time, reproducible skills that can be used throughout your organization and ignite a buzz!

Watch live in a training room or at a desktop, then again later at your convenience. Entirely online, these presentations focus on the goals and topics especially relevant to your company and its culture. This live remote training is formatted to include 60-minute or 90-minute segments along with time to practice the techniques on-the-job, making them a perfect fit for complicated schedules and busy staff members.

If you have scheduling or geographical challenges, we know you'll be delighted with this format, the training Bonfire provides and the lasting value you'll receive.

Enjoy a similar experience to physically being in the classroom by experiencing Bonfire's Live Remote Instructor-Led Webinars

Customized with your real-world scenarios & designed to meet your desired outcomes.

BENEFITS OF LIVE REMOTE TRAINING

Train multiple locations simultaneously.

Flexible scheduling due to shorter sessions.

Can be delivered in a training room or at individual workstations.

Fully interactive sessions including chat, Q&A, quizzes, polls and more.

It's about you! Training is customized with real examples.

It's not just slides and a voice, you see your trainer the entire time.

WHO SHOULD ATTEND?

Live Remote training is ideal for companies whose team members are spread out in multiple locations or have complicated scheduling issues, yet have a desire to offer a comprehensive curricula of courses to their team members.
